

NICHOLAS • KECOJEVIC

Personal Statement

I am seeking a graduate developer position. I am an ambitious individual who is eager to contribute, seeking employment in an active workplace. An excellent team player with outstanding communication skills and as a result, I can work well in groups or individually, and in positions that have direct interaction with customers. Over the years in my studying and professional life, I have developed a skill set that includes motivating my colleagues, working effectively in teams, taking leadership in group scenarios and seeing through projects from start to finish. I am reliable, trustworthy, hardworking and eager to learn from and teach my colleagues.

Education

- 2017 – 2020: Anglia Ruskin University, BEng Computer Science, [Upper Second-Class Honours]

Skills

- Excellent Python knowledge with heavy data science links and machine learning
- Knowledge of Java, C#, C++, MS-DOS and BASH
- Strong understanding of JavaScript, with a keen interest in learning more
- Strong knowledge of the time complexities of algorithms and data structures
- Strong familiarity with developing GUI's and implementing SQL databases
- Strong knowledge of remote desktop environments and thin/zero client and cloud computing
- Excellent knowledge of Microsoft Office suite
- Excellent knowledge of Adobe Creative Systems

Work Experience

Greene King – Assistant Manager

Jul 18 – Dec 19

- Responsible for any back of house administration duties as well as the front of house customer interaction roles.
- Maintained high staff and customer satisfaction rates while achieving top 5 pubs in the UK for Greene King consistently.

Nick's Computer Assistance

Nov 17 – Jul 18

- Ran a business in which I provided IT-related assistance for local businesses and homes.
- Achieved a successful self-employed enterprise with excellent customer relations, while contributing to a great learning experience for myself.

Revolution Bars Group – Supervisor

Jan 15 – Nov 17

- Supervised a small team of 3-5 staff on my bar every night, was responsible for making sure everything ran smooth and that we consistently hit financial targets.
- Won two consecutive yearly awards for best 10 performing staff for the entire company, awarded for performance and customer interactions.

Website design

May 13 – Aug 14

- Designed and created websites for several small businesses, was wholly in charge of interacting with the customer and identifying the specifications for the website and deploying my talents to meet them.
